“ Hello, I am sorry about the loss of your dear loved one Ms. Patricia Sue Jones in death.
I know she will be missed. She look like she was a very happy easy going person. That's a great quality to have you will live along time and she did. I hope I live to be 70 or older.
Under God's Heavenly Government or Kingdom which Jesus is the King he will step into mankind's affairs and do away with all badness and death. Then Jesus will resurrect our dead loved ones back to this earth not under these present conditions but under righteous conditions. And they will not have to die again. John 11:25
Have a great life!

“ Sue was my friend for over 45 years. We worked together for most of it. Always ate lunch together, laughed and cried together on many occasions. Sue was always there for me as well as many others. The one last thing I did for her was hand quilt a colonial girl quilt. She had embroidery the girl with lots of flowers. She said she wanted it done before she died. And it was ,she was so tickled when I took it to her, she wanted to pay me I said NO that's what friends are for to give to each other. I will truly miss that lady-friend of mine.
