“ Momma (Pearle) was a great part in my life and sometimes I feel like it is gone ,but most of the time she is right beside me. She was the number one woman in my life and there will never be anyone who can replace her. Momma (Pearle) had a wonderful life with her family and friends and I'd like to give a thanks to grandmother Helen Wilbur (pearle's mother),Helen Armstrong (Pearle's first daughter), Ray I forgot his last name (pearle's brother) James Morrison (pearles husband) and Barbra langhammer (pearle's dearly beloved friend). I also thank the people at Bryant funeral home for taking good care of my mom's body. I know she would be so proud of Helen (big sister) for being so strong and taking good care of her when she was still alive.

*I love all y'all
God bless everyone

“ Always enjoyed the company of Pearle as kids growing up some of the fondest being our camping times on the creek in Imboden, She always had a kind heart as years have gone and as people do we have had our own lives to live and was not as close as when we were kids but will always cherish the memories I have of my cousin Pearle.....

“*Pearle was a force of nature. Pearle was one of my dearest friends and I will Cherish the times I had with her and family members always! Pearle taught me much while I worked with her at Delta Counseling and she continued to be a teacher and a friend to me in her final days. I know that she is finally at peace and out of pain; and she had worn her bible out so I know that her faith in the Lord was ever so strong. Rest in Best my beloved friend.*
