I know I have only knew you for 2 years but that 2 years meant a lot. We were close and talked about a lot of stuff, I miss and love you so much. I know that you are in a better place but it just seems like a dream with you not here with all of us. I didn't know your mom and dad and barley new Rita but I'm glad you aren't alone. I love you and cant wait to see you and meet your family in heaven.

“ *We're so sorry for your loss. I'll always remember her sweet smile and her loving personality and concern for others. She was much too young to leave her family and friends but I know she's so happy to see her loved ones again.*
