“ *Again dad i am so sorry for how terrible i treated you as a teenager over my real dad! I dont know what would have happened to mom (Julia), Allen, or myself had you not came into our lives when i was 4 and Allen was 3. You loved us 2 kids like we was your own, and not part of Stanley Ivy. You loved us 3 more then our real dad ever did at any given time in his life. We 3 will forever owe you our lives. We all miss up, but help teach Allen and myself as best that you and mom could! Thank You So Very Much for all your sacrafice's that you and mom made for all of our step brother and stepsisters and the 2 of us kids. You didnt have to be such a wonderful man and what a real fater is supose to be that we didnt have to begin with.*
