“ *Berti, can't believe you are gone. I think we met at your worst time of life, but also you brought a lot of joy at my work. We had so much good "fun" time together, with Melvin too! Melvin, hope you will make through this phase of your life and may God give you strength.*

“ *Berti loved her family and friends with passion. She was always ready to laugh and have a good time with those she loved and made no secret how much her family meant to her. She impacted so many more lives than she ever realized and will be greatly missed. I will always carry with me wonderful memories of times we shared with love and affection.*
