“ I’m unable to attend Ron’s services but wanted to let the family know I will be praying for them. I worked with Ron at Skil/Bosch for many years. He was always willing to help anyone with anything! He was a very nice man and I had occasion to know him when he was the police in Black Rock. Without compromising his job or his badge, he was able to reach out to me about a house I owed in Black Rock and averted a potentially bad situation from occurring. He earned my undying gratitude for that. And more respect than I already had for him. Haven’t seen or heard anything about him in years so this was a shock! May he rest in peace.
