“ Aunt Ruby will be greatly missed.
I loved her giggle. Just hearing her giggle would make me smile.
Oh...how that that woman LOVED her Hen House cookies!
I know she is in a better place.....we miss and love you much.

“ We are left with many memories of Ruby and all the memories she shared with us of her earlier life and her "Burleson". We will miss those stories. We have to laugh as we remember sitting and listening to her scolding the cat through the window that came near her birds as she watched them at the feeders outside her window.
RIP Ruby.

“ Aunt Ruby knew me in my younger years so I don't remember any of those times. I do remember meeting her a couple years ago; what a firecracker! I wish I would've made more plans to get to know her better. I've heard many great things about her and how she got along with her sister Bea, my grandma.

“ Our deepest sympathy to Ruby's family. I (Gwen) grew up on Martin Creek not far from their farm knowing and visiting with Ruby and her husband. They were friends with my Mom and Dad (Clarence and Emogene Baldrige) who have also passed. I have such fond memories of her.
