“Tosha was a wonderful woman. She was kind and caring. She was a wonderful mother. She was never scared to take charge of the situation. She loved her children and pets. I loved her sense of humor. Tosha was a very strong person. She had a brightness about her. Connor reminds me of her in so many ways. I enjoyed being her neighbor. She is missed. I'll be praying for all of her friends and family.

She was a friend of mine before travis and her got together,my favorite memory of her is with Travis when they first got together,they was like school kids and they fell in love fast and it was real. She was a good friend a beautiful person and a good mother.. I was lucky enought to see and talk to her a few months back at Davis's housr she was in good spirits and had a very positive outlook on life.. She will be missed she will always be loved..
