“ *Trevor was the most kind hearted young man that ive ever came in contact with. He was my ROLL TIDE buddy and made sure to keep me updated and see if I was watching the game . So many lifes have been touched by just his sweet presence. I have no doubt that he entered the arms of JESUS on June the 28th . My prayers are with each and every family and friend of Trevor's. Until we meet again , i will be yelling ROLL TIDE extra loud for you this year and the years to come sir.*

My heart goes out to the family and friends of my brother in blue, Trevor Howard. I did not know him personally but, as a former officer myself, I understand the challenges and risks taken daily by law enforcement officers. It takes a special type of person to truly accept the calling. Trevor sounds like he was an outstanding man of GOD and an all around kind soul. He will be remembered for his dedication to his family and community. Prayers for peace and comfort. Rest in Peace, Trevor.

My heart goes out to the family and friend and fellow officers. I got to meet Trevor when the carnival was there. He was a very nice person and we chatted a little bit. I worked in the food trailer and He would order cheese fries. I would put extra cheese on them. He didn't ask I just did it. I took care of him and the other officers made sure they weren't hungry or thirsty. Rest in peace Trevor you'll forever be missed
