Ms. Virginia and the Big Bambino, Brother Bob, together again. You were with family when you were with them in their home. I don't think I have ever enjoyed doing something anymore than when I was doing something for Bob and Virginia. Salt of the earth and down home and now home together.

Much love and respect,

Perry

My sweet Aunt Jenny was such a kind soul. I'll always remember how loving she was to me when I was little, and how she always asked about my children when she came in to Chip's for a cheeseburger. We always got our visit in while she had her burger and coffee. I'm so sad that she's gone but I'll never forget her.
