“ To Verdine and the family, our thoughts and prayers are with each of you. We have such great memories of coming to visit and always feeling so welcomed by Wanda. She and my mom (Alline) and Aunt Irene were not only related but were also good friends. I hope they are having a great reunion. I know you have great memories that will be with you forever.

God Bless.

“ Heaven has gained a wonderful Mother, Aunt, Sister and Friend...So many wonderful memories of living across the street and countless hours and days playing in the yard, picking cotton and total amazement when she washed clothes on the old wringer washing machine set up in the garage. A caring, giving person...always there for those who needed her.
So, so sorry we cannot make it to the services...no flights available in time and a snow storm moving in. Our hearts are with you, heavy with sadness at this loss of such a wonderful, unselfish and giving person...
